Public Health in the New World

"She will be well known, respected and credible with local people - particularly those in the most deprived communities, local authorities, general practitioners and other local clinicians."

Lord Philip Hunt

November 2001 FPH Annual Lecture

Public Health in the New World

On DsPH

*"Never doubt that a small, group of thoughtful
committed citizens can change the world.*

Indeed, it is the only thing that ever has."

Margaret Mead

Public Health in the New World

On leadership

"The only safe ship in a storm is leadership"

Faye Wattleton

Public Health in the New World

On vision

"The very essence of leadership is that you have to have a vision"

Theodore Hesburgh
