Examples of comments:

- Conference was well planned and brought forward amazing sessions
- Presentations from the PH practitioner scheme and trainees
- Connecting with others and learning from others
- The entire event was motivating, uplifting and delivered in a professional but friendly way
- Networking and engaging workshops
- Sharing of ideas and practice
- Hearing all the great working across the NE.

Examples of comments:

Hearing feedback from people who have completed the UKPHR

Hearing different approaches and people's different backgrounds

Seeing the work that is being done across the region.

Hearing other people's journeys

The career stories of practitioners and The community engagement workshop

Listening to how people's work linked to their route

Was there anything that didn't meet expectations?

Comments:

- It would have been good as a presenter to see the slides Infront of me
- I am a recently registered practitioner, but my name wasn't on the celebration slides
- Sound quality
- Mentorship and the incorporation of foreign nationalities who are passionate about public health into the system, so that a balanced, inclusive and non-biased system can be in place.
- Clearer pathway in starting the UKPHR scheme

Any other comments

- It was an amazing event.
- Well, done to the team that organised it
- Would like to attend the event again
- Perhaps designated time to introduce ourselves instead of a workshop we go away in groups to meet etc.
- Conference was well planned and brought forward amazing sessions
- Great event informative speakers who had engaging journeys and stories
