

# NORTH WEST PUBLIC HEALTH ANTI-RACISM COLLABORATIVE NEWS BULLETIN

OCTOBER 2025

## North West Public Health Anti-Racism Conference 2025

In May 2025 we brought together leaders, practitioners, and community voices to share strategies and commitments for advancing equity and inclusion across health systems.

## Working Towards Change

The conference set out 3 priorities:

1. Develop the North West Public Health Anti-Racism Statement for publication
2. Co-ordinate follow up learning events to share best practices & build skills
3. Build a public health leadership community of interest focused on Anti-racism

## Do You Want To Get Involved?

- Opportunity to collaborate with peers across the North West.
- Attend follow-up learning events to enhance skills and knowledge.
- Stay updated on the North West Public Health Anti-Racism Statement and support its implementation in your organisation
