	Governance & mgt	Ensure a sustainable organisation Better use of new technologies	<ul style="list-style-type: none"> • Develop a strong effective ADPH Council • Maintain a strong effective Board and staff team • Discover non-subscription sources of funding • Develop new technological solutions • Improve web and social media presence

Targets 2019-2020

- Strengthen the Associate and Alumni member contribution to ADPH
 - Deliver a series of workshops and masterclasses tailored to members' needs
 - Collaborate to bring leadership development to DsPH
 - Continue to improve and deliver strong ADPH flagship events
 - Develop remote support elements (e.g. webinars)
-
- Strengthen links across the system for SLI (e.g. Oversight Board, LGA)
 - Develop and promote a purpose and value statement for SLI
 - Share existing tools and models across networks
 - Develop a sustainable way of understanding local strengths and sharing them across members
-
- Carry out a member survey
 - Establish the new communications function with a focus on increasing ADPH visibility (loudness) in the first year
 - Deliver communications training to Board, Council and staff
 - Promote and strengthen member input to the ten new PAGs
 - Tighten the collaboration with the non-English members
-
- Promote ADPH impact and successes externally
 - Deliver the ACEs project (August 2020)
 - Publish position statements on violence and health protection
 - Develop and promote lines to feed into the Spending Review, Prevention Green Paper and implementation of the NHS Long Term Plan
-
- Strengthen feedback between ADPH Council and the regional networks
 - Review the business function
 - Update HR policies and guidance including staff induction and handbook
 - Implement the strategy for grants and sponsorship
 - Scope the development of a new ADPH website and interactive space
 - Develop the new three-year Business Plan 2020-23
