

ADPH Webinar

Promoting vaccine uptake: the role of local public health teams

Tuesday 23rd February (13:00-14:00)

Purpose of the session:

- Reflect on the role of the DPH and of local Public Health teams in facilitating vaccine uptake in their communities.
- Exchange examples of good and innovative practice.
- Facilitate a forum for discussion for DsPH to map common challenges and solutions to promoting vaccine uptake in their areas.

13.00	Welcome and introductions	Greg Fell , DPH Sheffield and ADPH Honorary Secretary
13.05	A DPH perspective: working in partnership with communities	Dr Justin Varney , DPH Birmingham City Council
